I hereby agree to abide by the following rules and regulations corresponding to my privilege of having a reserved painted parking spot at Ponderosa High School:

- I understand that my design must be turned in by **August 20, 2019 to Mrs. Garcia in the Main Office by 3:00 pm**. No late applications will be accepted.
- I understand that the lottery for a specific parking spot will be **August 22, 2019 after school in 119 and the \$50 raffle ticket is non-refundable**
- I understand that the official day to paint my spot with my approved design is **September 7, 2019 from 8am to 12pm**. This is the only day that painting will be allowed in the school parking lots.
- On painting day, I understand that I must check-in with the staff member overseeing where my space is located.
- I acknowledge that I have to bring my own brushes, paint, and painting supplies to decorate my spot and that I am responsible for all costs associated with painting my spot.
 - I will only paint the approved design that was turned in prior to painting and if any adjustments were needed I will have met additional approval.
 - I understand that my design must be free of any obscenities, inappropriate and/or negative messages, alcohol, marijuana, drug, or smoking references, gang signs, etc. I understand that any violation found will immediately **void** my reserved parking spot and that it will be painted over with no refund.
- I understand that I am not permitted to park in another parking space that is assigned to someone else or let anyone else park in my space.
- If weather inhibits the view of parking spots, I understand that parking in my assigned spot may not be possible until the weather and road conditions improve.
- I understand that painted parking spots will take time to implement and enforcement of reserved parking spaces will require work on everyone's part in our community. I will remain positive and respectful of the efforts to enforce the parking spaces. I will report to the security desk with the license plate number of the car parked in my spot immediately.
- If I park in or disrespect someone else's painted parking spot, I will receive disciplinary action that will include losing my parking spot with no refund.
- I understand that all staff members have the right to take away my parking spot privileges. If my spot is left messy, I have repeated behavior issues within the school, or fail to represent PHS to the best of my ability, my spot may be forfeited with no refund.

If I do not abide by any of these rules, I realize my parking spot will be forfeited, will be painted over, and I will not receive a refund.
