

Palabra de Honor
Honor Code for AP Spanish

Please sign, date, and turn in this Honor Code by the first day of school along with your summer assignments. You must adhere to this code as you complete summer work for Spanish AP class.

I, _____,
understand that AP Spanish is a rigorous and academically advanced course. I will undertake the challenges of learning Spanish by completing all summer assignments with serious commitment. I recognize that my efforts will result in improved fluency and ultimately, a higher degree of success on the Spanish AP exam.

Therefore, I will not use any electronic device to translate my assignments. My work will be authentic and at my personal level of proficiency. I understand that an online dictionary may be helpful for single words but not for entire written texts.

I, _____,
will uphold this code of academic integrity.
